

**Lewy Buddy  
Support Network UK**

**Do you have a diagnosis,  
or care for someone with  
Lewy Body Dementia or  
Parkinson's Disease  
Dementia?**

**Do you often struggle to  
cope with challenges?**

**Would you like to discuss  
your experiences with  
other people affected by  
this disorder?**

**Here for  
each other**

Lewy Buddy Support Network UK (LBSN UK) is a community-led organisation supporting people affected by Lewy body dementias.

Peer support is central to our approach; Buddies are the experts by experience on the challenges of living with or alongside a Lewy body disorder.

Join our community  
**The Buddy Directory**

**“This is a superb service, very safe  
and very supportive”**

The Buddy Directory is a secure online **list of all our members spanning the length and breadth of the UK.**

- **Browse and search for people local to you**
- **Connect with people in similar situations**
- **Find your buddy for mutual peer support**
